EXPLANATORY NOTES

The streets are arranged alphabetically with their description, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arrangement by rotation where no numbers have been assigned.)
The abbreviation r between the street and number and the name signifies "rear."
The word "vacant" after a number signifies that the house office or store at that number was vacant when canvass was made.
* Denotes householders and places of business having telephones.
"(Right even)" after street description indicates even numbers on right side of street.
"(1-A)" indicates marginal index for locating street on the map.

The difference between

Reference and

Creative media

is their direction

The seller's efforts to stimulate demand is well carried by outgoing, extensive, display media, but—

he should remember that initiative rests with the buyer, and when the hunt for the goods begins, creative media which may have built up the demand, are at a disadvantage.

It is the difference between coming and going.

The creative advertising is going after the prospect, to make him want to buy, but when you have him coming, reference media should be used to connect the demand with the local supply. Every effort should be made to direct the demand to the goods advertised, at the point where they may be seen.

It is here that reference media, directories, find their logical place in the cycle of the sale.

"Of the people, for the people"

Since 1873

By Van

"Who is the mayor of this town?
 "Who founded it, and when?
 "What is it gives it most renown?
 "Who are its Councilmen?
 "How has the population grown?
 "And will you tell me, please,
 "Some of the facts that are best known
 "About its industries?
 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold.
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know;—
 "You'll find one in the drug store, there;
 "Now, when I signal, GO."

"Who is the mayor of this town?
 "Who founded it, and when?
 "What is it gives it most renown?
 "Who are its Councilmen?
 "How has the population grown?
 "And will you tell me, please,
 "Some of the facts that are best known
 "About its industries?
 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold.
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know:—
 "You'll find one in the drug store, there:
 "Now, when I signal, GO."

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

The difference between

Reference and
←
Creative media
→
is their direction
↔

The seller's efforts to stimulate demand is well carried by outgoing, extensive, display media, but—

he should remember that initiative rests with the buyer, and when the hunt for the goods begins, creative media which may have built up the demand, are at a disadvantage.

It is the difference between coming and going.

The creative advertising is going after the prospect, to make him want to buy, but when you have him coming, reference media should be used to connect the demand with the local supply. Every effort should be made to direct the demand to the goods advertised, at the point where they may be seen.

It is here that reference media, directories, find their logical place in the cycle of the sale.

 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold,
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth,
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo?
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know;—
 "You'll find one in the drug store, there:
 "Now, when I signal, GO."

ESSEX FELLS DIRECTORY

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

The Mortality of Advertising

THE waste basket is the grave of millions of dollars worth of advertising every year. Keep your advertising out of the waste basket by using mediums that are not thrown away. The City Directory is on the job 365 days in the year and no level headed man will think of the waste basket and the City Directory at the same time.

"Who is the mayor of this town?
"Who founded it, and when?
"What is it gives it most renown?
"Who are its Councilmen?
"How has the population grown?
"And will you tell me, please,
"Some of the facts that are best known
"About its industries?
"Where shall I find the City Hall
"And those who office hold?
"Please name the nearest market stall
"Where sauerkraut is sold.
"Does Baxter Street run east or north?
"Where is the City Jail?
"And where does Uncle Sam hold forth
"As guardian of the mail?
"Where are the magistrates and courts?
"When do the lodges meet?
"Who keeps a file of stock reports?
"Where's Kosciuszko Street?
"Know of a man whose name is Burch,
"Who paints and plasters walls?
"Who preaches in the Baptist Church?
"Who sells good overalls?
"Where can I get an oyster stew,
"Where buy imported rugs?
"Who renovates the carpets? Who
"Exterminates the bugs?
"What car will take me to the zoo
"And public library?
"How can I find my friend, Carew,
"I've traveled miles to see?
"Now, if you'll kindly put me wise,
"And think me not a bore,
"I shall esteem it very nice—
"And ask you something more."

"Now, listen, friend, you'll ask no more
"Of me, a tired cop;
"I'm busy, and my semaphore
"Is set, you see, at 'STOP'.
"To find the folks you want to meet,
"And every place and street,
"Please look in the DIRECTORY—
"You'll find it there, complete;
"That book's compiled with greatest care
"For those who want to know;—
"You'll find one in the drug store, there:
"Now, when I signal, GO."

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

"Who is the mayor of this town?
 "Who founded it, and when?
 "What is it gives it most renown?
 "Who are its Councilmen?
 "How has the population grown?
 "And will you tell me, please,
 "Some of the facts that are best known,
 "About its industries?
 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold.
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth,
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo,
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know;—
 "You'll find one in the drug store, there:
 "Now, when I signal, GO."

The difference between

Reference and

Creative media

is their direction

The seller's efforts to stimulate demand is well carried by outgoing, extensive, display media, but—

he should remember that initiative rests with the buyer, and when the hunt for the goods begins, creative media which may have built up the demand, are at a disadvantage.

It is the difference between coming and going.

The creative advertising is going after the prospect, to make him want to buy, but when you have him coming, reference media should be used to connect the demand with the local supply. Every effort should be made to direct the demand to the goods advertised, at the point where they may be seen.

It is here that reference media, directories, find their logical place in the cycle of the sale.

PUBLISHERS OF DIRECTORIES
OF OVER ONE HUNDRED CITIES AND TOWNS

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*
